

July 25-29, 2017

We are going to Church Camp this year at Sugar Pine, Oakhurst, CA! You are invited.

We are very excited that you are thinking about joining us for Church Camp! Camp is a very fun week with many activities such as volleyball, mushball, boating, swimming, zip-line obstacle course, hiking and a real Steam Train. Every evening and morning we have classes and services that will provide opportunities to learn about Jesus, about His plan for us and how we are to serve Him. Please pray for camp, and we will pray with you that all that is done will be for the honor and glory of our Lord Jesus.

The Missionary Baptist Family Camp at Sugar Pine is sponsored by First Landmark Missionary Baptist Church of Visalia, CA. Sugar Pine covers over 320 acres in the Sequoia National Forest. It is about 10 minutes from Oakhurst. It is located at 4,500 feet so the temperature will be just cool enough in the summer to provide a nice break from the valley heat! Please note that camp this year will be Tuesday through Saturday. We'll be going home on Saturday.

Church Camp, as we call it, is a time of spiritual renewing and physical refreshing. The fellowship of old friends and the making of new friends make this such a special time of year. Church Camp starts on Tuesday after lunch and ends on Saturday morning. The days are filled with activities to enrich your personal spiritual growth, engage your fellowship and rest your soul. Each morning, Wednesday through Friday we have morning gatherings where we discuss the bible point for the upcoming lesson. Bible classes are held every morning for every age. There are activities for all ages after classes before lunch time.

The afternoons at Sugar Pine can be spent in many ways. There are several activities and a lot of opportunity to fellowship. Hang out or just meet up with some old friends or make some new ones. You'll definitely have a lot to keep you busy every day.

Sugar Pine has a beautiful indoor chapel where we'll have evening services. Our guest speakers will bring a message to challenge and touch your heart. Come prepared to join in the worship and participate. The services are filled with specials and songs. Church Camp is a special time in many lives. Plan to attend. You don't want to miss it.

For more information about Sugar Pine Christian Camps go to sugarpine.org. If you have more questions about camp, you can call Randy Scott at (559) 802-6057.
