Dear Sister Churches:

It was announced at the California Cooperative Association Meeting that FLMBC Visalia had become the new sponsoring church of California Mission Development. We want to thank the Armona church, Bro. Keith Hooper and Bro. Lynn Maxwell for their many years of dedicated service to the Churches in California and the CMD Program.

If you are not currently participating in the work of CMD, we would like to invite you to consider partnering with us as we serve in this ministry. Over the last 30+ years, CMD has assisted missions and churches with building projects that have directly resulted in the growth of God's Kingdom. We are excited to see where God takes us in the coming years.

If you are already a contributing Church, please note that the contact information for CMD has changed. Correspondence and checks should be sent to FLMBC Visalia, PO Box 6672, Visalia, CA 93290-6672. The enclosed notice has all the details. We're including a copy of the new By-Laws for your review.

We are praising God that the Messengers at the annual CMD Meeting voted to pay out over \$47,000!

- Valley Home Missionary Baptist Church – for a new well and pump system
- Grace Missionary Baptist Church, Anaheim – for parking lot repairs
- First Missionary Baptist Church, McFarland – for replacement doors and windows, and other repairs.

We would like to hear your thoughts about CMD. Send us an email, call or text us, schedule a time where we can come to you and discuss the future of the CMD program. We know the needs are great and we want to hear how we can help!

The next distribution of CMD funds will be for 3rd Quarter. The deadline for submitting petitions is July 31st. Ballots will be sent out in August and voting is due back by September 30th so that we can make distribution by October 31st. Please let us know if you have any questions about the process.

In His Service,

FLMBC Visalia

Kevin Parsons, Pastor
Regena Virgil, CMD Secretary/Treasurer
John Tiner, CMD Assistant Secretary/Treasurer
